LOS ANGELES (November 14, 2014) – Los Angeles based pop duo Little & Ashley, best known from the Amazon Kindle television commercials that featured four of their singles including "Stole My Heart" and "Fly Me Away", will premiere their music video "Dreamy Happy Sexy", the title track off their first full-length record on November 14th, 2014 on Vevo. The music video stars Annie Little and Marcus Ashley, and is directed by Kuwaiti filmmaker Fawaz Al-Matrouk. <http://vevo.ly/UQyahD>

"We'd been kicking around the phrase 'dreamy happy sexy' for a while—we came up with it accidentally while working on another song and liked the concept. We felt it described how we wanted our music to make people feel," says Ashley. "I played the song for a very talented film director friend of ours, Fawaz Al-Matrouk. He immediately sparked to the track and came up with a very cool concept—having photographs come to life to tell the story of two people who have a chance meeting, end up falling for each other, and spend the rest of the day on a spontaneous date."

The album "*Dreamy Happy Sexy*" will be released on November 18th, 2014, distributed by Razor & Tie. Pre-orders are available now. <http://geni.us/littleandashley>

"*Dreamy Happy Sexy*" will feature twelve new songs in addition to re-mastered versions of three of the songs Amazon licensed, including "Stole My Heart" which went on to become Amazon.com's #1 free MP3 download of 2010.

Women's Wear Daily called Little & Ashley, comprised of Annie Little and Marcus Ashley, "perfect chemistry". The duo has a unique sound that has been described as mixtape-perfection. Their sound is sunny and flowing, with pop guitar hooks and dreamy textures that make for a windows rolled down, warm-weather soundtrack.

Their talents extend past their musical partnership. Annie, who is also an actress, is most recognized from the Amazon Kindle commercials along with a variety of TV shows and movies including "Mad Men", "Desperate Housewives", and "Dexter", and can be seen in the Best Picture Oscar winner "Argo", directed by Ben Affleck. Annie was recently cast in a multi-episode arc playing Elizabeth, the sister to Bianca in the upcoming season of "Shameless." Marcus is sponsored by Gibson Guitars and in addition to Little & Ashley, he has licensed numerous compositions as a solo artist. Marcus is also an actor and has guest starred on TV shows "Justified", "Bones", and "CSI: NY". Annie and Marcus married in 2011 and welcomed

their first child in 2013. They live in Los Angeles where they also write and record their music.
